Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an image processing apparatus comprising a service information database for storing the image processing service information provided by the plurality of service providers; and a control section for controlling a selection of whether to register the image processing service information acquired via the network in the service information databases or to temporarily utilize the image processing service information without registration when registering the image processing service information in the service information database and controlling storage in the service information database of communication information comprising at least one of a compression/decompression scheme used in the compression/decompression control section an encryption/decryption scheme used in the encryption control section or operational information as claimed in claim 14. Similar features are claimed in claim 20. Therefore, claim 20 is allowable for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
